

CHROME

2440

MODELS 2440, 2441, 2442 FOLDING UTILITY CARTS are versatile enough for any application such as movement of mail, patient records, and laboratory materials. Choose any combination of 6" or 12" deep poly-coated wire baskets to complete your cart. The metal frame is designed for easy assembly and folds for storage. Rubber stoppers support and protect the poly-coated wire racks and provide a quiet ride on four, three-inch hard rubber casters.

| Model No. | Feature | Part No. | Dimensions | Ship Wt. (lb) est. |
|-----------|-----------------|------------|---------------------------------------|--------------------|
| 2440 | folding cart | 2422440000 | 19-1/2"D 29-3/4"W (floor space) 35" H | 21 |
| 2441 | 6" wire basket | 2422441000 | 14-1/4"D 24-1/2"W 6"H | 5 |
| 2442 | 12" wire basket | 2422442000 | 14-1/2"D 24-3/4"W 12"H | 6 |

MODEL 2900 AND 2904 PATIENT PRIVACY SCREENS are fabricated from sturdy anodized aluminum with stainless steel hinges. The panels are self-extinguishing white vinyl and fold easily for compact storage. All models meet flammability requirements of California Bulletin 117.
